**HEATHERGLEN  
HOMES ASSOCIATION DECLARATION**

REBECCA L. DAVIS  
REGISTER OF DEEDS

THIS DECLARATION is made as of the 15<sup>th</sup> day of July, 2003, by Pflumm 51 Investors, L.L.C., a Kansas limited liability company ("Developer").

WITNESSETH:

WHEREAS, Developer has executed and filed with the Register of Deeds of Johnson County, Kansas, a plat of the subdivision known as "HeatherGlen" which plat includes the following described lots and tracts:

Lots 1 through 41, and Tracts A and B, HeatherGlen, a subdivision in the City of Shawnee, Johnson County, Kansas.

WHEREAS, Developer, as the present owner and developer of the above-described property, desires to create and maintain a residential neighborhood and a homes association for the purpose of enhancing and protecting the value, desirability, attractiveness and maintenance of the property within the subdivision;

NOW, THEREFORE, in consideration of the premises contained herein, Developer, for itself and for its successors and assigns, and for its future grantees, hereby subjects all of the above-described lots to the covenants, charges, assessments and easements hereinafter set forth.

ARTICLE I. DEFINITIONS

For purposes of this Declaration, the following definitions shall apply:

(a) "Lot" means any lot as shown as a separate lot on any recorded plat of all or part of the Subdivision; provided, however, that if an Owner, other than the Developer, owns adjacent lots (or parts thereof) upon which only one residence has been, is being, or will be erected, then (i) for purposes of determining the amount of periodic and special assessments due with respect thereto from time to time, such adjacent property under common ownership shall constitute such whole or partial number of Lots as may be specified in writing by the Developer, and (ii) for all other purposes hereunder, such adjacent property under common ownership shall be deemed to constitute only one "Lot."

(b) "Subdivision" means collectively all of the above lots in HeatherGlen, all Common Areas, and all additional property which hereafter may be made subject to this Declaration in the manner provided herein.

(c) "Developer" means Pflumm 51 Investors, L.L.C., a Kansas limited liability company, and its successors and assigns.

(d) "Owner" means the record owner(s) of title to any Lot, including the Developer.

(e) "Common Areas" means (i) any entrances, monuments, berms, street islands or medians, and other similar ornamental areas and related utilities, lights, sprinkler systems, trees and landscaping constructed or installed by or for the Developer or the Homes Association at or near the entrance of any street or along any street, and any easements related thereto, in the Subdivision, (ii) Tracts A and B of HeatherGlen and all stormwater drainage and detention facilities and other improvements therein, (iii) all platted landscape easements and all other landscape easements that may be granted to the Developer and/or the Homes Association, for the use, benefit and enjoyment of all Owners within the Subdivision, and (iv) all other similar areas and places, together with all improvements thereon and thereto, the use, benefit or enjoyment of which is intended for all of the Owners within the Subdivision, whether or not any "Common Area" is located on any Lot.

(f) "Homes Association" means the Kansas not-for-profit corporation to be formed by or for the Developer for the purpose of serving as the homes association for the Subdivision.

(g) "Board" means the Board of Directors of the Homes Association.

(h) "Certificate of Substantial Completion" means a certificate executed, acknowledged and recorded by the Developer stating that all of the Lots in the Subdivision (as then constituted or contemplated by the Developer) have been sold by the Developer and the residences to be constructed thereon are substantially completed; provided, however, that the Developer may execute and record a Certificate of Substantial Completion or similar instrument in lieu thereof in Developer's absolute discretion at any earlier time and for any limited purpose hereunder. The execution or recording of a Certificate of Substantial Completion shall not, by itself, constitute an assignment of any of the Developer's rights to the Homes Association or any other person or entity.

(i) "Turnover Date" means the earlier of: (i) the date as of which 90% of all of the Lots in the Subdivision (as then constituted or contemplated by the Developer) have been sold by the Developer and the residences have been constructed thereon, or (ii) the date the Developer, in its absolute discretion, selects as the Turnover Date for all or any specific portion of this Declaration.

(j) "City" means the City of Shawnee, Kansas.

(k) "Recording Office" means the Office of the Register of Deeds of Johnson County, Kansas.

## ARTICLE II. HOMES ASSOCIATION MEMBERSHIP

Until the Turnover Date, the Homes Association shall have two classes of membership, namely Class A and Class B. The Developer shall be the sole Class A member. Each Owner of a Lot, including the Developer as an Owner, shall be a Class B member. Until the Turnover Date, all voting rights shall be held by the Class A member, except that the Class B members shall have the sole right to vote on increases in monthly assessments as provided in clause (c) of Section 2 of Article IV below.

After the Turnover Date, there shall be only one class of membership which shall consist of the Owners of the Lots in the Subdivision and every such Owner shall be a member.

Where voting rights exist based on Lot ownership, each member shall have one vote for each Lot for which he is the Owner; provided, however, that when more than one person is an Owner of any particular Lot, all such persons shall be members and the one vote for such Lot shall be exercised as they, among themselves, shall determine, but in no event shall more than one vote be cast with respect to such Lot. During any period in which a member is in default in the payment of any assessment levied by the Homes Association under this Declaration, the voting rights of such member shall be suspended until such assessment has been paid in full.

Subject to the foregoing, the Homes Association shall be the sole judge of the qualifications of each Owner to vote and their rights to participate in its meetings and proceedings.

## ARTICLE III. POWERS AND DUTIES OF THE HOMES ASSOCIATION

1. In addition to the powers granted by other portions of this Declaration or by law but subject to all of the limitations set forth in this Declaration, the Homes Association shall have the power and authority to do and perform all such acts as may be deemed necessary or appropriate by the Board to carry out and effectuate the purposes of this Declaration, including, without limitation:

(a) To enforce, in the Homes Association's name, any and all building, use or other restrictions, obligations, agreements, reservations or assessments which have been or hereafter may be imposed upon any of the Lots or other part of the Subdivision; provided, however, that this right of enforcement shall not serve to prevent waivers, changes, releases or modifications of restrictions, obligations, agreements or reservations from being made by the Homes Association or other parties having the right to make such waivers, changes, releases or modifications under the terms of the deeds, declarations or plats in which such restrictions, obligations, agreements and reservations are set forth or otherwise by law. The expense and cost of any such enforcement proceedings by the Homes Association shall be paid out of the general funds of the Homes Association, except as herein provided. Nothing herein contained shall be deemed or construed to prevent the Developer or any Owner from enforcing any building, use or other restrictions in its or his own name.

(b) To acquire and own title to or interests in, to exercise control over, and to improve and maintain the Common Areas, subject to the rights of any governmental authority, utility or any other similar person or entity therein or thereto.

(c) To maintain public liability, worker's compensation, fidelity, fire and extended coverage, director and officer liability, indemnification and other insurance with respect to the activities of the Homes Association, the Common Areas and the property within the Subdivision.

(d) To levy the assessments and related charges which are provided for in this Declaration and to take all steps necessary or appropriate to collect such assessments and related charges.

(e) To enter into and perform agreements from time to time with the Developer and other parties regarding the performance of services and matters benefiting both the Developer or other parties and the Homes Association and its members, and the sharing of the expenses associated therewith.

(f) To enter into and perform agreements with the Developer, other developers, other homes associations and other parties relating to the joint use, operation and maintenance of any recreational facilities and other similar common areas, whether in or outside the Subdivision, and the sharing of expenses associated therewith.

(g) To have employees and otherwise engage the services of a management company or other person or entity to carry out and perform all or any part of the functions and powers of the Homes Association, including, without limitation, keeping of books and records, operation and maintenance of Common Areas, and planning and coordination of activities.

(h) To engage the services of a security guard or security patrol service.

(i) To provide for the collection and disposal of rubbish and garbage; to pick up and remove loose material, trash and rubbish of all kinds in the Subdivision; and to do any other things necessary or desirable in the judgment of the Board to keep any property in the Subdivision neat in appearance and in good order.

(j) To exercise any architectural, aesthetic or other control and authority given and assigned to the Homes Association in this Declaration or in any other deed, declaration or plat relating to all or any part of the Subdivision.

(k) To make, amend and revoke reasonable rules, regulations, restrictions and guidelines (including, without limitation, regarding the use of Common Areas) and to provide means to enforce such rules, regulations, restrictions and guidelines, and the recorded declarations, by levying fines and other enforcement charges and taking such other lawful actions as the Homes Association, in its discretion, deems appropriate.

(1) To exercise such other powers as may be set forth in the Articles of Incorporation or Bylaws of the Homes Association.

2. In addition to the duties required by other portions of this Declaration and by law, the Homes Association shall have the following duties and obligations with respect to providing services to all Owners within the Subdivision:

(a) To the extent not provided as a service by any governmental authority, the Homes Association shall provide for the collection and disposal of rubbish and garbage for each residence one day per week (which day, if possible, shall be the same for all residences). The Homes Association, however, shall not be obligated to provide any recycling services.

(b) The Homes Association shall at all times, from and after its date of formation and at its expense, be responsible for properly repairing, replacing, controlling, maintaining, operating and insuring, as applicable, all Common Areas (except any part thereof that is within any Lot and has not been landscaped or otherwise improved by or for the Developer or the Homes Association), subject to any control thereover maintained by any governmental authority, utility or other similar person or entity.

(c) The Homes Association shall provide lawn care, consisting of mowing, edging, fertilizing and weed control of grass areas only (excluding designated natural areas), on all Lots, but such mandatory services shall not include the replanting or reseeding of sod or grass, the care or replacement of bushes, shrubbery, trees, gardens or flowers, or the care of any areas which have been enclosed by an Owner and made inaccessible to the Homes Association.

(d) The Homes Association shall provide for the periodic painting (but not repair or replacement) of exterior painted surfaces of each residence.

The Board shall have the right to further determine the scope and timing of the foregoing services described in subsections (c) and (d) and shall have the right to establish, maintain and expend reserve funds for the improvements on the Common Areas and the services to be provided by the Homes Association under this Section 2. Neither the Developer, any director, nor the Homes Association shall be liable to any Owner or other party for any failure to establish or maintain any such reserves or if any such reserves are inadequate.

#### ARTICLE IV. MONTHLY ASSESSMENTS AND INITIATION FEE

1. For the purpose of providing funds to enable the Homes Association to exercise the powers, render the services and perform the duties provided for herein, all Lots in the Subdivision (other than Lots then owned by the Developer and Lots then owned by a builder prior to the initial occupancy of the residence thereon) shall be subject to an monthly assessment to be paid to the Homes Association by the respective Owners thereof as provided in this Article IV. The amount of such monthly assessment per Lot shall be fixed periodically by the Board, subject to Section 2 below, and, until further action of the Board, shall be \$125.00 per month.

2. The rate of monthly assessment upon each Lot in the Subdivision may be increased as to and for each calendar year:

(a) For each of years 2004 through 2006, by the Board from time to time, without a vote of the members, by up to 20% over the rate of monthly assessment in effect for the preceding year;

(b) After year 2006, by the Board from time to time, without a vote of the members, by up to 10% over the rate of monthly assessment in effect for the preceding calendar year; or

(c) At any time by any amount by a vote of the members (being for this limited purpose solely the Class B members prior to the Turnover Date) at a meeting of the members duly called and held for that purpose in accordance with the Bylaws when a majority of the members present at such meeting and entitled to vote thereon authorize such increase by an affirmative vote for the proposed increase.

Notwithstanding the foregoing limits on annual assessments, the Board, without a vote of the members, shall always have the power to set, and shall set, the rate of monthly assessment at an amount that will permit the Homes Association to perform its duties as specified in Section 2 of Article III above.

3. The monthly assessments provided for herein shall be based upon the calendar year (commencing in 2003) and shall be due and payable on the first day of each month; provided, however, that the first assessment for each Lot shall be due and payable only upon commencement of occupancy of the residence on the Lot and shall be prorated as of the date thereof. No Lot shall be entitled to receive any services to be provided by and through the Homes Association until such time as the first monthly assessment has been paid with respect thereto.

4. A portion of the monthly assessments may be allocated to reserves to provide funds for repair or maintenance of major items and for other contingencies. Neither Developer nor the Homes Association nor any member of the Board shall have any liability to any Owner or member of the Homes Association if no reserves are established or maintained or if any reserves are inadequate.

5. An initiation fee of \$250.00 shall be payable by the new Owner to the Homes Association, for use as part of the general funds of the Homes Association, upon each of the following events with respect to each Lot:

(i) The initial occupancy of the residence on the Lot after the residence is constructed (which initiation fee is in addition to the first regular monthly assessment, as it may be prorated); and

(ii) Each subsequent transfer of ownership of the Lot for value.

## ARTICLE V. SPECIAL ASSESSMENTS

1. In addition to the monthly assessments provided for herein, the Board:

(a) shall have the authority to levy from time to time a special assessment against any Lot and its Owner to the extent the Homes Association expends any money (for services, materials, and legal fees and expenses) to correct or eliminate (by enforcement, self-help or otherwise) any breach by such Owner of any agreement, obligation, reservation or restriction contained in any deed, declaration or plat covering such Lot (including, without limitation, to maintain or repair any Lot or improvement thereon); and

(b) shall levy from time to time special assessments against each and every Lot (other than any Lot then owned by the Developer and any Lot then owned by a builder prior to the initial occupancy of the residence thereon) in an equal amount that is sufficient, when aggregated, to enable the Homes Association to perform its duties as specified in Section 2 of Article III above that require any expenditure during any period in an amount in excess of the general and reserve funds of the Homes Association available therefor.

2. In the event an Owner fails to properly maintain, repair, or replace any improvements on the Owner's Lot, the Homes Association, acting through the Board and after giving adequate notice to the Owner of the need for the maintenance, repair, or replacement, may enter onto the Lot and perform such maintenance, repair, or replacement. The Homes Association's costs thereof, plus a reasonable overhead and supervisory fee, shall be payable by the Owner of the Lot and shall be a special assessment against and lien upon the Lot until paid by the Owner.

3. If any Owner commences a lawsuit or files a counterclaim or crossclaim against the Homes Association, the Board of Directors, or any committee, or any individual director, officer or committee member of the Homes Association, and such Owner fails to prevail in such lawsuit, counterclaim or crossclaim, the Homes Association, Board of Directors, or individual director, officer or committee member sued by such Owner shall be entitled to recover from such Owner all litigation expenses incurred in defending such lawsuit, counterclaim or crossclaim, including reasonable attorneys' fees. Such recovery right shall constitute a special assessment against the Owner's Lot and shall be enforceable against such Lot as provided herein.

4. Each special assessment shall be due and payable upon the Homes Association giving notice of the assessment to the Owner of the Lot.

## ARTICLE VI. DELINQUENT ASSESSMENTS

1. Each assessment regarding a Lot shall be a charge against the Owner and shall become automatically a lien in favor of the Homes Association on the Lot against which it is levied as soon as the assessment becomes due. Should any Owner fail to pay any assessment with respect to the Owner's Lot in full within 30 days after the due date thereof, then such

assessment shall be delinquent, the Owner shall be charged a late fee of 5% of the unpaid amount and the unpaid amount shall bear interest at the rate of 10% per annum from the delinquency date until paid, which late fee and interest shall become part of the delinquent assessment and the lien on the Lot. Should the Homes Association engage the services of an attorney to collect any assessment hereunder, all costs of collecting such assessment, including court costs and reasonable attorneys' fees, shall, to the extent permitted by applicable law, be added to the amount of the assessment being collected and the lien on the Lot. Each assessment, together with late fees, interest thereon and collection costs, shall also be the personal obligation of the Owner(s) of the Lot, jointly and severally, at the time when the assessment became due.

2. All liens on any Lot for assessments provided for herein shall be inferior and subordinate to the lien of any valid purchase money first mortgage now existing or which may hereafter be placed upon such Lot, as provided below. A foreclosure sale or deed in lieu of foreclosure thereunder shall automatically extinguish the lien hereunder for such assessments to the extent applicable to periods prior to the entry of the order allowing such foreclosure or the execution of a deed in lieu thereof but shall not release such Lot from liability for any assessment applicable to periods thereafter. If the Owner subsequently redeems the Lot from the foreclosure sale, the lien hereunder shall automatically be reinstated retroactively in full.

3. Payment of a delinquent assessment with respect to a Lot may be enforced by judicial proceedings against the Owner personally and/or against the Lot, including through lien foreclosure proceedings in any court having jurisdiction of suits for the enforcement of such liens. The Homes Association may file certificates of nonpayment of assessments in the Recording Office, and/or the office of the Clerk of the District Court for Johnson County, Kansas, whenever any assessment is delinquent, in order to give public notice of the delinquency. For each certificate so filed, the Homes Association shall be entitled to collect from the Owner of the Lot described therein a fee of \$200.00, which fee shall be added to the amount of the delinquent assessment and the lien on the Lot.

4. Such liens shall continue for a period of five years from the date of delinquency and no longer, unless within such period suit shall have been instituted for collection of the assessment, in which case the lien shall continue until payment in full or termination of the suit and sale of the property under the execution of judgment establishing the same.

5. The Homes Association may cease to provide any or all of the services (including, without limitation, use of Common Areas and trash services) to be provided by or through the Homes Association with respect to any Lot during any period that the Lot is delinquent on the payment of an assessment due under this Declaration, and no such cessation of use privileges or services shall result in a reduction of any amount due from the Owner before, during or after such cessation. No Owner may waive or otherwise avoid liability for any assessment by not using any Common Areas or declining any services provided through the Homes Association.

6. No claim of the Homes Association for assessments and charges shall be subject to setoffs or counterclaims made by any Owner.

## ARTICLE VII. LIMITATION ON EXPENDITURES

Except for matters contemplated in Section 2 of Article III above, the Homes Association shall at no time expend more money within any one year than the total amount of the assessments for that particular year, plus any surplus and available reserves which it may have on hand from prior years. The Homes Association shall not have the power to enter into any contract which binds the Homes Association to pay for any obligation out of the assessments for any future year, except for (i) contracts for utilities, maintenance or similar services or matters to be performed for or received by the Homes Association or its members in subsequent years, and (ii) matters contemplated in Section 2 of Article III above.

## ARTICLE VIII. NOTICES

1. The Homes Association shall designate from time to time the place where payment of assessments shall be made and other business in connection with the Homes Association may be transacted.

2. All notices required or permitted under this Declaration shall be deemed given if deposited in the United States Mail, postage prepaid, and addressed to the Owner at the address of the Lot. Notice to one co-Owner shall constitute notice to all co-Owners.

## ARTICLE IX. EXTENSION OF SUBDIVISION

The Developer shall have, and expressly reserves, the right (but not the obligation), from time to time, to add to the existing Subdivision and to the operation of the provisions of this Declaration other adjacent or nearby lands by executing, acknowledging and recording in the Recording Office a written instrument subjecting such additional property to all of the provisions hereof as though such land had been originally described herein and subjected to the provisions hereof; provided, however, that such declaration or agreement may contain such deletions, additions and modifications of the provisions of this Declaration applicable solely to such additional property as may be necessary or desirable, as solely determined by the Developer in its absolute discretion.

## ARTICLE X. AMENDMENT AND TERMINATION

1. This Declaration may be terminated, amended or modified, in whole or in part, at any time by a duly acknowledged and recorded written agreement (in one or more counterparts) signed by (a) the Owners of at least two-thirds (2/3) of the Lots within the Subdivision as then constituted and (b) if prior to the recording of the Certificate of Substantial Completion, the Developer. After recording of the Certificate of Substantial Completion or with the Developer's written consent, this Declaration also may be terminated, amended or modified, in whole or in part, at any time by a duly acknowledged and recorded written instrument signed by the Homes Association after the proposed amendment, modification or termination has been first approved by the affirmative vote of 75% or more of the full number of directors of the Homes Association and then approved by the members of the Homes Association at a duly held meeting of the

members of the Homes Association (called in whole or in part of that purpose) by the affirmative vote of Owners owning at least two-thirds (2/3) of the Lots.

2. Anything set forth in Section 1 of this Article to the contrary notwithstanding, the Developer shall have the absolute, unilateral right, power and authority to modify, revise, amend or change any of the terms and provisions of this Declaration, as from time to time amended or supplemented, by executing, acknowledging and recording in the Recording Office a written instrument for such purpose, if (i) either the Veteran's Administration or the Federal Housing Administration or any successor or similar agencies thereto shall require such action as a condition precedent to the approval by such agency of the Subdivision or any part of the Subdivision or any Lot in the Subdivision, for federally-approved mortgage financing purposes under applicable Veterans Administration, Federal Housing Administration or similar programs, laws and regulations, (ii) the City requires such action as a condition to approval by the City of some matter relating to the development of the Subdivision, (iii) a typographical or factual error or omission needs to be corrected in the opinion of the Developer, or (iv) such action is appropriate, in Developer's discretion, in connection with a replat of all or any part of the Subdivision. No such amendment by the Developer shall require the consent of any Owner.

3. If the rule against perpetuities or any rule against restraints on alienation or similar restriction is applicable to any right, restriction or other provision of this Declaration, such right, restriction or other provision shall terminate (if not earlier terminated) upon lapse of 20 years after the death of the last survivor of the now-living children and grandchildren of the individuals signing this Declaration on behalf of the Developer as of the date of such execution.

#### ARTICLE XI. ASSIGNMENT

1. The Developer shall have the right and authority, by written agreement made expressly for that purpose, to assign, convey, transfer and set over to any person(s) or entity, all or any part of the rights, benefits, powers, reservations, privileges, duties and responsibilities herein reserved by or granted to the Developer, and upon such assignment the assignee shall then for any or all such purposes be the Developer hereunder with respect to the rights, benefits, powers, reservations, privileges, duties and responsibilities so assigned. Such assignee and its successors and assigns shall have the right and authority to further assign, convey, transfer and set over the rights, benefits, powers, reservations, privileges, duties and responsibilities hereunder.

2. The Homes Association shall have no right, without the written consent of the Developer, to assign, convey, or transfer all or any part of its rights, benefits, powers, reservations, privileges, duties and responsibilities hereunder.

#### ARTICLE XII. COVENANTS RUNNING WITH THE LAND

1. All provisions of this Declaration shall be deemed to be covenants running with the land and shall be binding upon all subsequent grantees of all parts of the Subdivision. By accepting a deed to any of the Lots, each future grantee of any of the Lots shall be deemed to have personally consented and agreed to the provisions of this Declaration as applied to the Lot

owned by such Owner. The provisions of this Declaration shall not benefit or be enforceable by any creditor of the Homes Association (other than the Developer) in such capacity as a creditor.

2. No delay or failure by any person or entity to exercise any of its rights or remedies with respect to a violation of or default under this Declaration shall impair any of such rights or remedies; nor shall any such delay or failure be construed as a waiver of that or any other violation or default.

3. No waiver of any violation or default shall be effective unless in writing and signed and delivered by the person or entity entitled to give such waiver, and no such waiver shall extend to or affect any other violation or situation, whether or not similar to the waived violation. No waiver by one person or entity shall affect any rights or remedies that any other person or entity may have.

#### ARTICLE XIII. GOVERNING LAW AND SEVERABILITY

1. This Declaration shall be governed by and construed in accordance with the laws of Kansas.

2. Invalidation of any of the provisions set forth herein, or any part thereof, by an order, judgment or decree of any court, or otherwise, shall not invalidate or affect any of the other provisions or parts.

#### ARTICLE XIV. COMMON AREAS

1. Developer covenants and agrees to convey, by special warranty deed, all of its rights, title and interest in the Common Areas (except any part thereof that is within any Lot or outside of the Subdivision) to the Homes Association, without any cost to the Homes Association, at such time(s) as the Developer, in its absolute discretion, may determine, but in all events not later than one month after the Developer has recorded the Certificate of Substantial Completion. Such transfer shall be free and clear of all mortgages, security interests and mechanic's liens. Notwithstanding the actual date of transfer, except as otherwise provided in an agreement with the Developer, the Homes Association shall at all times, from and after the date of its formation and at its expense, be responsible for properly repairing, replacing, controlling, maintaining, operating and insuring, as applicable, all Common Areas (except any part thereof that is within any Lot and has not been landscaped or otherwise improved by the Developer or the Homes Association), subject to any control thereover maintained by any governmental authority, utility or similar person or entity. Any transfer of title by the Developer shall not constitute an assignment by the Developer of any of its rights, as the developer of the Subdivision, pursuant to this Declaration or any other instrument, contract or declaration. In insuring the Common Areas, the Homes Association shall cause the Developer to be named as an additional insured on the insurance coverage until the recording of the Certificate of Substantial Completion.

2. The Developer, in its discretion, shall have the right to reconfigure and/or replat all or any part of the Subdivision then owned by it, including, without limitation, to make part of a Common Area tract a part of a Lot, and vice versa.

IN WITNESS WHEREOF, the Developer has caused this Declaration to be duly executed the day and year first above written.

DECLARATION OF RESTRICTIONS

REBECCA L. DAVIS  
REGISTER OF DEEDS

THIS DECLARATION is made as of the 25<sup>th</sup> day of July, 2003, by Pflumm '51 Investors, L.L.C., a Kansas limited liability company ("Developer").

WITNESSETH:

WHEREAS, Developer has executed and filed with the Register of Deeds of Johnson County, Kansas a plat of the subdivision known as "HeatherGlen", which plat includes the following described lots and tracts:

Lots 1 through 41, and Tracts A and B, HeatherGlen, a subdivision in the City of Shawnee, Johnson County, Kansas.

WHEREAS, Developer, as the present owner and developer of the above-described property, desires to place certain restrictions on such lots to preserve and enhance the value, desirability and attractiveness of the development and improvements constructed thereon and to keep the use thereof consistent with the intent of the Developer, and all of said restrictions shall be for the use and benefit of Developer and its future grantees, successors and assigns;

NOW, THEREFORE, in consideration of the premises contained herein, Developer, for itself and for its successors and assigns, and for its future grantees, hereby agrees and declares that the above-described lots shall be, and they hereby are, restricted as to their use and otherwise in the manner hereinafter set forth.

1. Definitions. For purposes of this Declaration, the following definitions shall apply:

(a) "Lot" means any lot as shown as a separate lot on any recorded plat of all or part of the Subdivision; provided, however, that if an Owner, other than the Developer, owns adjacent lots (or parts thereof) upon which only one residence has been, is being, or will be erected, then such adjacent property under common ownership shall be deemed to constitute only one "Lot."

(b) "Subdivision" means all of the above-described lots in HeatherGlen, all Common Areas, and all additional property which hereafter may be made subject to this Declaration in the manner provided herein.

(c) "Developer" means Pflumm '51 Investors, L.L.C., a Kansas limited liability company, and its successors and assigns.

(d) "Owner" means the record owner(s) of title to any Lot, including the Developer, and for purposes for all obligations of the Owner hereunder, shall include, where appropriate, all family members and tenants of such Owner and all of their guests and invitees.

(e) "Common Areas" means (i) any entrances, monuments, berms, street islands, and other similar ornamental areas and related utilities, lights, sprinkler systems and landscaping constructed or installed by or for the Developer or the Homes Association at or near the entrance of any street or along any street, and any easements related thereto, in or to the Subdivision, (ii) the Green Areas, (iii) all landscape easements that may be granted to the Developer and/or the Homes Association, for the use, benefit and enjoyment of all owners within the Subdivision, and (iv) all other similar areas and places, together with all improvements thereon and thereto, the use, benefit or enjoyment of which is intended for all of the owners within the Subdivision, whether or not any "Common Area" is located on any Lot.

(f) "Green Areas" means Tracts A and B of HeatherGlen and all similar areas that may be platted in the Subdivision as a tract and not as a residential lot.

(g) "Homes Association" means the Kansas not-for-profit corporation to be formed by or for the Developer for the purpose of serving as the homes association for the Subdivision.

(h) "Exterior Structure" means any structure erected or maintained on a Lot other than the main residential structure or any structural component thereof, and shall include, without limitation, any deck, gazebo, greenhouse, doghouse, outbuilding, fence, patio wall, privacy screen, boundary wall, bridge, patio enclosure, tennis court, sport court, paddle tennis court, swimming pool, hot tub, pond, basketball goal, flag pole, swingset, jungle gym, trampoline, sand box, playhouse, treehouse, batting cage, or other recreational or play structure, and all exterior sculptures, statuary, fountains, and similar yard decor.

(i) "Certificate of Substantial Completion" means a certificate executed, acknowledged and recorded by the Developer stating that all of the Lots in the Subdivision (as then constituted or contemplated by the Developer) have been sold by the Developer and the residences to be constructed thereon are substantially completed; provided, however, that the Developer may execute and record a Certificate of Substantial Completion or similar instrument in lieu thereof in Developer's absolute discretion at any time and for any limited purpose hereunder. The execution or recording of a Certificate of Substantial Completion shall not, by itself, constitute an assignment of any of the Developer's rights to the Homes Association or any other person or entity.

(j) "Approving Party" means (i) prior to the recording of the Certificate of Substantial Completion, the Developer (or its designees from time to time) and (ii) subsequent to the recording of the Certificate of Substantial Completion, the Board (or with respect to Exterior Structures and other matters assigned to it, the Architectural Committee).

(k) "Board" means the Board of Directors of the Homes Association.

(l) "Architectural Committee" means: (i) prior to the Turnover Date, the Developer (or its designees from time to time); and (ii) on and after the Turnover Date, a committee comprised of at least three members of the Homes Association, all of whom shall be appointed by and serve at the pleasure of the Board (subject to the term limitations and other provisions of Section 14 below).

(m) "City" means the City of Shawnee, Kansas.

(n) "Turnover Date" means the earlier of: (i) the date as of which 90% of all of the Lots in the Subdivision (as then constituted or contemplated by the Developer) have been sold by the Developer and the residences have been constructed thereon, or (ii) the date the Developer, in its absolute discretion, selects as the Turnover Date for all or any specific portion of this Declaration.

(o) "Recording Office" means the Office of Register of Deeds of Johnson County, Kansas.

2. Use of Land. Except as otherwise expressly provided herein, none of the Lots may be improved, used or occupied for other than single family, private residential purposes. No trailer, outbuilding or Exterior Structure shall at any time be used for human habitation, temporarily or permanently; nor shall any residence of a temporary character be erected, moved onto or maintained upon any of the Lots or any Common Areas or used for human habitation; provided, however, that nothing herein shall prevent the Developer or others (including, without limitation, builders and real estate brokerage companies) authorized by the Developer from using trailers or temporary buildings or structures or any residence or clubhouse for model, office, sales or storage purposes during the development and build out of the Subdivision.

3. Building Material Requirements.

(a) Exterior walls on front elevations of all residences shall be of stucco, brick and stone and other materials specifically approved by the Developer. Other exterior walls of all residences and all appurtenances thereto shall be of stucco, stucco board, brick, stone, batt siding, wood paneling, plate glass, glass blocks, wood trim, or any combination thereof and other materials specifically approved by the Developer. Exterior concrete blocks shall not be permitted as a finished surface. All windows and exterior doors shall be constructed of glass, wood, metal or vinyl clad, fiberglass, or any other materials specifically approved by the Developer. No windows or exterior doors may be silver or other bright finish. Roofs shall be covered with wood shingles, wood shakes, concrete tiles, clay tiles, slate, or high quality composition shingles, all of the specific types, colors, styles, dimensions and other aesthetic factors approved by the Developer in writing. Notwithstanding the foregoing provisions of this Section 3 requiring or prohibiting specific building materials or products, any building materials or products that may be or come into general or acceptable usage for dwelling construction of comparable quality and style in the area, as determined by the Approving Party in its absolute discretion, shall be acceptable upon written approval by the Approving Party in its absolute discretion. In the event the City or other government agency with jurisdiction

and authority requires specific building materials not authorized above or requires that Owners have additional choices of building materials not authorized above, the Approving Party shall have the right, in its absolute discretion, to establish and regulate in writing the specific types, colors and other aesthetic features of such new or additional building materials.

(b) All applicable exterior components (excluding roofs, brick, stone, and similar components) shall be covered with a workmanlike finish of paint or stain. No residence or Exterior Structure shall stand with its exterior in any unfinished condition for longer than five months after commencement of construction. All exterior basement foundations and walls which are exposed in excess of 12 inches above final grade shall be painted the same color as the residence or covered with siding compatible with the structure.

(c) No air conditioning apparatus or unsightly projection shall be attached or affixed to the front of any residence.

(d) No metal or other pipe shall be exposed on the exterior of any fireplace or fireplace flue (other than a minimal amount of exterior metal or piping from a direct vent fireplace). All fireplace flues shall be capped with a black or color-conforming metal rain cap.

(e) Except as otherwise permitted by the Developer in writing, all residences shall have a house number plate in the style(s) approved by the Developer, which plate shall be located adjacent to the front door or, where not practical, at another location approved by the Developer.

(f) All driveways and sidewalks shall be concrete, patterned concrete, bomanite, interlocking pavers, brick or other permanent stone finishes. Crushed gravel, asphalt and natural driveways and sidewalks are prohibited. No driveway shall be constructed in a manner as to permit access to a street across a rear property line.

(g) All residences shall have at least a two-car garage. No car ports are permitted.

(h) Until January 1, 2013, each residence shall be equipped with an add-on electric heat pump, unless otherwise expressly exempted from this requirement by the Developer.

(i) In the event individual mailboxes are required by the Post Office, the Developer shall establish one standard mailbox and mailbox post and each Owner shall purchase, install and maintain a mailbox and mailbox post conforming to these standards.

(j) The Developer, in its discretion, may allow variances from the foregoing requirements of this Section 3.

4. Minimum Floor Area. No residence shall be constructed upon any Lot unless it has a total finished floor area of at least 1,473 square feet (excluding any finished attics, garages, basements and similar habitable areas). The Developer, in its absolute discretion, may allow variances from the minimum square footage requirement.

5. Approval of Plans; Post-Construction Changes; Grading.

(a) Notwithstanding compliance with the provisions of Sections 3 and 4 above, no residence or Exterior Structure may be erected upon or moved onto any Lot unless and until the building plans, specifications, exterior materials, location, elevations, plot plan, lot grading plan, general landscaping plan, and exterior color scheme have been submitted to and approved in writing by the Developer or, in the case of Exterior Structures to the extent provided in Section 8 below, the Architectural Committee. No change or alteration in such building plans, specifications, exterior materials, location, elevations, lot grading plans, general landscaping plans or exterior color scheme shall be made unless and until such change or alteration has been submitted to and approved in writing by the Developer or the Architectural Committee, as the case may be. All building plans and plot plans shall be designed to minimize the removal of existing trees and shall designate those trees of two inch or more caliber to be removed.

(b) Following the completion of construction of any residence or Exterior Structure, no significant landscaping change, significant exterior color change or exterior addition or alteration shall be made thereto unless and until the change, addition or alteration has been submitted to and approved in writing by the Architectural Committee. All replacements of all or any portion of a completed structure because of age, casualty loss or other reason, including, without limitation, roofs and siding, shall be of the same materials, location and elevation as the original structure unless and until the changes thereto have been submitted to and approved in writing by the Architectural Committee.

(c) All final grading of each Lot shall be in accordance with any master grading plan approved by the City, any related grading plan furnished by the Developer for the development phase containing the Lot and any specific site grading plan for the Lot approved by or for the Developer. No landscaping, berms, fences or other structures shall be installed or maintained that impede the flow of surface water. Water from sump pumps shall be drained away from adjacent residences (actual and future). No changes in the final grading of any Lot shall be made without the prior written approval of the Approving Party and, if necessary, the City. The Developer shall have no liability or responsibility to any builder, Owner or other party for the failure of a builder or Owner to final grade or maintain any Lot in accordance with the master grading plan or any approved lot grading plan or for the Developer not requiring a lot grading plan or compliance therewith or for the quality or composition of any soil or subsurface material. The Developer does not represent or guarantee to any Owner or other person that any grading plan for the Lots that the Developer or any engineer or other party may approve or supply shall be sufficient or adequate or that the Lots will drain properly or to any Owner's or other person's satisfaction.

(d) All site preparation, including, but not limited to, tree removal, excavation, grading, rock excavation/removal, hauling, and piling, etc., shall be at the sole expense of the Owner or builder. All trees and rock, etc., shall be removed from the Subdivision and shall not be spoiled within the Subdivision. All excess dirt shall be spoiled within the Subdivision as directed by the Developer.

(e) Approval of plans or specifications by the Developer, or any other Approving Party is not, and shall not be deemed to be, a representation or warranty that such plans or specifications comply with good engineering/architectural practices or any governmental requirements.

6. Set Backs. No residence, or any part thereof (exclusive of porches, porticoes, stoops, balconies, bay and other windows, eaves, chimneys and other similar projections), or Exterior Structure, or any part thereof, shall be nearer the street line than the building set back lines shown on the recorded plat for such Lot; provided, however, that the Approving Party shall have the right to decrease, from time to time and in its absolute discretion, the set back lines for a specific Lot, to the extent they are greater than the minimum set backs required by the City, by filing an appropriate instrument in writing in the Recording Office.

7. Commencement and Completion of Construction. Unless the following time periods are expressly extended by the Developer in writing, construction of the residence on a Lot shall be commenced within three months following the date of delivery of a deed from the Developer to the purchaser of such Lot and shall be completed within 12 months after such construction commencement. In the event such construction is not commenced within such three month period (or extension thereof, if any), the Developer shall have, prior to commencement of construction, the right (but not the obligation) to repurchase such Lot from such purchaser at the sale price of the Lot from the Developer to the initial purchaser thereof. If such repurchase right is exercised by the Developer, the Owner of the Lot in violation of this construction commencement provision shall not be entitled to reimbursement for taxes, interest or other expenses paid or incurred by or for such Owner.

8. Exterior Structures.

(a) No Exterior Structure shall be erected upon, moved onto or maintained upon any Lot except (i) strictly in accordance with and pursuant to the prior written approval of the Architectural Committee as to the applicable building plans, specifications, exterior materials, location, elevations, lot grading plans, landscaping plans and exterior color scheme and (ii) in compliance with the additional specific restrictions set forth in subsection (b) below or elsewhere in this Declaration; provided, however, that the approval of the Architectural Committee shall not be required for (I) any Exterior Structure erected by or at the request of the Developer or (II) any Exterior Structure that (A) has been specifically approved by the Developer prior to the issuance of a temporary or permanent certificate of occupancy as part of the residential construction plans approved by the Developer and (B) has been built in accordance with such approved plans. Compliance with the specific requirements or restrictions set forth in subsection (b) below or elsewhere in this Declaration shall not automatically entitle an

Owner to install or maintain any specific Exterior Structures, and the Approving Party, in its discretion, shall always have the right to additionally regulate, prohibit, condition or otherwise restrict any Exterior Structure notwithstanding such otherwise compliance.

(b)

(i) All fence plans must be approved by the Approving Party and the City prior to installation. Only wood or wrought iron (or similar) fences or privacy screens in the specific styles and colors approved by the Developer shall be permitted on the Lots. All fences, boundary walls and privacy screens shall be ornamental and shall not disfigure the property or the neighborhood or interfere with drainage. All fences and privacy screens shall be constructed with the finished side out. No chain link, wire or similar fence shall be permitted. No fence may be installed in any platted landscape easement unless installed by or for the Developer. Each gate shall be at least four feet in width. Unless and until otherwise specifically approved in writing by the Approving Party, (A) no fence, boundary wall or privacy screen shall exceed five feet in height, (B) no fence, boundary wall or privacy screen shall be constructed or maintained on any Lot beyond any platted peripheral building line or nearer to the front street than the rear corners (as determined by the Approving Party) of the residence, (C) no fence shall be constructed or maintained on any Lot more than one foot from the property line (or, if applicable, platted peripheral building line) of the Lot, except to the extent necessary for such fence to abut the residence and except for fences around swimming pools, hot tubs and patio areas, (D) all fences (except for fences around swimming pools, hot tubs and patio areas) must be joined to or abutting any previously existing fences on adjacent Lots, (E) all perimeter fences shall be stair-stepped to follow the grade of the Lot, and (F) no wood fence shall be painted or stained any color.

(ii) All basketball goals shall be permanently installed (except as provided below), free standing and not attached to the residence. Portable basketball goals shall be permitted only if stored in the garage at night. All backboards shall be transparent or painted white and all poles shall be black or a neutral color. There shall be only one basketball goal per Lot. The Board shall have the right to establish reasonable rules regarding the hours of use of basketball goals and any such rules shall be binding upon all of the Lots and the Owners.

(iii) All recreational or play structures must be approved in advance by the Approving Party and (if allowed) shall be made of materials approved in writing by the Approving Party and (other than basketball goals) shall be located behind the rear corners (as determined by the Approving Party) of the residence.

(iv) No aboveground type swimming pools shall be permitted. All swimming pools shall be fenced and all hot tubs shall be fenced or otherwise adequately screened, all in accordance with the other provisions of the Declaration and City requirements. All pools and hot tubs shall be kept clean and maintained in operable condition at all times.

BOOK 9312 PAGE 574

(v) The following Exterior Structures shall be prohibited: animal runs, trampolines, tennis courts, sport courts, paddle tennis courts, tree houses, batting cages, detached greenhouses and other detached outbuildings (except as expressly permitted by the Developer on any large lot that may be added to the Subdivision in the future).

(vi) All outside dog houses shall be located in the back yard near the residence, shall be painted or stained (where appropriate) the same color of the residence, and shall have roofs that are compatible with the residence.

(vii) No Exterior Structure that is prohibited under Section 9 below shall be permitted under this Section 8.

(c) No fence, boundary wall or other Exterior Structure installed by or for the Developer or Homes Association anywhere in the Subdivision may be removed or altered by any Owner or other person without the prior written consent of the Approving Party.

9. Buildings or Uses Other Than for Residential Purposes; Noxious Activities; Miscellaneous.

(a) Except as otherwise provided in Section 2 above, no residence or Exterior Structure, or any portion thereof, shall ever be placed, erected or used for business, professional, trade or commercial purposes on any Lot; provided, however, that this restriction shall not prevent an Owner or occupant from maintaining an office area or operating a home-business occupation in his residence in accordance with the applicable ordinances of the City so long as the residential character of the area is maintained.

(b) No noxious or offensive activity shall be carried on with respect to any Lot; nor shall any trash, ashes or other refuse be thrown, placed or dumped upon any Lot or Common Area; nor shall anything be done which may be or become an annoyance or a nuisance to the Subdivision, or any part thereof. Each Owner shall properly maintain his Lot in a neat, clean and orderly fashion. Each residence and Exterior Structure shall be kept and maintained by the Owner in good condition and repair at all times. Any exterior color change must be approved in advance in accordance with Section 5(b).

(c) Unlicensed or inoperative motor vehicles are prohibited, except in an enclosed garage.

(d) Overnight parking of motor vehicles, trailers or similar apparatus of any type or character in public streets, Common Areas or vacant lots is prohibited. Motor vehicles shall be parked overnight in garages or on paved driveways only. Except as provided in subsection (f) below, no vehicle (other than an operable passenger automobile, passenger van or small truck), commercial truck or van, bus, boat, trailer, camper, mobile home, or similar apparatus shall be left or stored over night on any Lot, except in an enclosed garage.

(e) Trucks or commercial vehicles with gross vehicle weight of 12,000 pounds or over are prohibited in the Subdivision except during such limited time as such truck or vehicle is actually being used in the Subdivision during normal working hours for its specific purpose.

(f) Recreational motor vehicles of any type or character are prohibited except:

(i) When stored in an enclosed garage;

(ii) Temporary parking on the driveway for the purpose of loading and unloading (maximum of one overnight every 14 days); or

(iii) With prior written approval of the Approving Party.

(g) No television, radio, citizens' band, short wave or other antenna, satellite dish (other than as provided below), solar panel, clothes line or pole, or other unsightly projection shall be attached to the exterior of any residence or Exterior Structure or erected in any yard. Should any part or all of the restriction set forth in the preceding sentence be unenforceable because it violates a statute or the First Amendment or any other provision of the United States Constitution, the Approving Party shall have the right to establish rules and regulations regarding the location, size, landscaping and other aesthetic aspects of such projections so as to reasonably control the impact of such projections on the Subdivision, and all parts thereof, and any such rules and regulations shall be binding upon all of the Lots. Notwithstanding any provision in this Declaration to the contrary, small satellite dishes (maximum 39 inches in diameter) may be installed, with the prior written consent and in accordance with the requirements of the Approving Party, so as not to be readily visible from the street and to render the installation as inoffensive as possible to other Owners.

(h) No artificial flowers, trees or other vegetation shall be permitted on the exterior of any residence or in the yard. Sculptures, bird baths, fountains and similar decorative objects are allowed on the exterior of the residence or in the yard only with the specific written approval of the Approving Party.

(k) No speaker, horn, whistle, siren, bell or other sound device shall be located, installed or maintained upon the exterior of any residence or in any yard, except intercoms, alarms and similar devices used exclusively for security purposes, and stereo speakers used in accordance with any rules specified by the Board.

(l) All residential service utilities shall be underground, except with the approval of the Developer.

(m) In the event of vandalism, fire, windstorm or other damage, no residence or Exterior Structure shall be permitted by the Owner to remain in damaged condition for longer than three months (except with the specific written consent of the Approving Party).

(n) No shed, barn, detached garage or other storage facility shall be erected upon, moved onto or maintained upon any Lot. Storage shall be permitted under a deck provided such area is screened as otherwise authorized herein.

(o) No underground fuel storage tanks of any kind shall be permitted.

(p) Except for signs erected by or for the Developer or its approved real estate brokerage company for the Subdivision, no sign, advertisement or billboard may be erected or maintained on any Lot except that:

(i) One sign not more than three feet high or three feet wide may be maintained offering the residence for sale. For newly constructed homes offered for sale, only a real estate brokerage company sign (which may include a rider identifying the builder), and not also a separate sign for the builder, may be used if a real estate brokerage company is involved.

(ii) One garage sale sign not more than three feet high or three feet wide is permitted on the Lot when a permitted garage sale is being held, provided such signs are erected in accordance with City code and are removed within two hours after the close of the sale.

(iii) One political sign per candidate or issue not more than three feet high or three feet wide is permitted on the Lot for up to three weeks before the election but must be removed within 24 hours after the election.

No signs offering a residence for lease or rent shall be allowed in the Subdivision.

(s) Garage doors shall remain closed at all times except when necessary for ingress and egress.

(t) No residence or part thereof shall be rented or used for transient or hotel purposes, which is defined as: (i) rental of less than one month duration or under which occupants are provided customary hotel services such as room service for food and beverages, maid service, and similar services; or (ii) rental to roomers or boarders, (i.e., rental to one or more persons of a portion of a residence only). No lease may be of less than an entire residence. Each lease agreement shall be in writing, shall require that the tenant and other occupants comply with all provisions of this Declaration, shall provide that the lease shall be subject in all respects to the provisions of this Declaration and to the rules and regulations promulgated from time to time by the Board, and shall provide that the failure by the tenant to comply with the terms of this Declaration shall be a default under the lease. Prior to the commencement of the term of a lease, the Owner shall notify the Board, in writing, of the name or names of the tenant or tenants and the time during which the lease term shall be in effect. Notwithstanding the existence of a lease, the Owner shall remain liable for all obligations under this Declaration with respect to the Lot and the improvements thereon and the use thereof and the Common Areas.

(u) The Developer and the Association may enforce the foregoing restrictions and other provisions of this Declaration by establishing and levying fines and other enforcement charges, having vehicles, trailers or other apparatus towed away at the Owner's expense, or taking such other lawful actions as it, in its sole discretion, deems appropriate.

10. Animals. No animals of any kind shall be raised, bred, kept or maintained on any Lot except that dogs, cats and other common household pets may be raised, bred, kept or maintained so long as (a) they are not raised, bred, kept or maintained for commercial purposes, (b) they do not constitute a nuisance and (c) the City ordinances and other applicable laws are satisfied. All pets shall be confined to the Lot of the Owner except when on a leash controlled by a responsible person. Owners shall immediately clean up after their pets on all streets, Common Areas and Lots owned by others.

11. Lawns, Landscaping and Gardens. Within 60 days after the issuance of any permanent or temporary certificate of occupancy for the residence, all lawns, including all areas between each residence and any adjacent street, regardless of the existence and location of any fence, monument, boundary wall, berm, sidewalk or right-of-way line, shall be fully sodded and shall remain fully sodded at all times thereafter; provided, however, that the Owner of a Lot may leave or subsequently create a portion of the Lot as a native area with the express written permission of the Approving Party. No lawn shall be planted with zoysia or buffalo grass.

Within 60 days after the issuance of any permanent or temporary certificate of occupancy for the residence, the Owner thereof shall landscape the Lot to the same standards as that generally prevailing throughout the Subdivision (which shall include, but not be limited to, a minimum expenditure of \$1,000.00 on foundation plantings in the front yard plus at least one hardwood tree of two inch or more caliper in the front yard (in addition to any trees planted by the Developer)). All landscaping shall be installed in accordance with the landscaping plans approved by the Developer.

BOOK 9312 PAGE 578

To the extent any of the foregoing items are not completed prior to occupancy, the Owner shall escrow funds, in an amount (if any) and manner determined by the Developer, to assure such installation when weather permits.

All vegetable gardens shall be located behind the rear corners of the residence (as determined by the Approving Party) and at least five feet away from the boundary of the Lot. No vegetable garden(s) shall exceed 100 square feet in size on any Lot, except with the prior written consent of the Approving Party.

The lawn of each Lot shall be kept in good condition at all times and uniformly mowed and clipped with a length of grass not to exceed four inches.

The Developer shall have the right (but not the obligation) to install one or more trees on each Lot. The type of tree(s) and location shall be selected by the Developer in its absolute discretion. Each Owner shall properly water, maintain and replace all trees and landscaping on the Owner's Lot (including any trees planted by or for the Developer, but excluding those in a Common Area maintained by the Homes Association).

12. Easements for Public Utilities; Drainage; Maintenance. The Developer shall have, and does hereby reserve, the right to locate, erect, construct, maintain and use, or authorize the location, erection, construction, maintenance and use of drains, pipelines, sanitary and storm sewers, gas and water lines, electric and telephone lines, television cables and other utilities, and to give or grant rights-of-way or easements therefor, over, under, upon and through all easements and rights-of-way of record or shown on any recorded plat of the Subdivision or any Common Area. All utility easements and rights-of-way shall inure to the benefit of all utility companies, governmental authorities, the Developer and the Homes Association, for purposes of installing, maintaining or moving any utility lines or services and shall inure to the benefit of the Developer, all Owners and the Homes Association as a cross easement for utility line service and maintenance.

The Developer shall have and does hereby reserve for itself and its successors and assigns and the Homes Association and its successors and assigns an easement over and through all unimproved portions of each Lot in the Subdivision for the purpose of performing the powers and duties of the Homes Association and maintaining any Common Area. The Developer shall have the right to execute and record, at any time, an easement with respect to specific areas utilized as provided above. Any physical damage caused in the exercise of such easement shall be repaired by and at the expense of the party exercising the easement right.

No water from any roof, downspout, sump pump, perimeter basement drain or surface drainage shall be placed in or connected to any sanitary sewer line.

13. Common Areas.

(a) The Developer and its successors, assigns, and grantees, as Owners, and the Homes Association shall have the right and easement of enjoyment in and to all of the Common Areas, but only for the intended and permitted use of such Common Areas.

Such right and easement in favor of the Owners shall be appurtenant to, and shall automatically pass with, the title to each Lot. All such rights and easements shall be subject to the rights of any governmental authority or any utility therein or thereto.

(b) Any ownership by the Homes Association of any Common Area and the right and easement of enjoyment of the Owners in the Subdivision as to any Common Area shall be subject to the right of the Developer to convey sewage, water, drainage, pipeline, maintenance, electric, telephone, television and other utility easements over, under, upon and through such Common Area, as provided in Section 12 above.

(c) No Owner shall improve, destroy or otherwise alter any Common Area without the express written consent of the Approving Party.

(d) Owners of Lots adjacent or nearby the Common Areas shall prevent erosion and pollutant discharges and runoff onto the Common Areas.

(e) The following rules, regulations and restrictions shall apply to the use of the Green Areas:

(i) No automobiles, motorcycles, all-terrain vehicles, or other motorized vehicles or apparatus of any kind shall be allowed in the Green Areas except for parking in any designated parking lots and except for mowing and otherwise maintaining the Green Area.

(ii) No refuse, trash or debris shall be discarded or discharged in or about the Green Areas except in designated trash bins.

(iii) Access to the Green Areas shall be confined to designated common areas, except that owners of Lots adjacent to the Green Areas may have access to the area from their respective lots (where applicable).

(iv) The Developer and the Homes Association shall have reasonable access through Lots adjacent to the Green Areas for the purposes of maintenance and improvement thereof.

(f) The Developer and the Homes Association shall have the right from time to time to make, alter, revoke and enforce additional rules, regulations and restrictions pertaining to the use of any Common Area.

(g) The Developer, in its discretion, shall have the right to reconfigure and/or replat all or any part of the Subdivision then owned by it, including, without limitation, to make part of a Common Area tract a part of a Lot, and vice versa.

14. Architectural Committee.

(a) No more than two members of the Board shall serve on the Architectural Committee at any time. The positions on the Architectural Committee may be divided by

the Board into two classes with staggered two-year terms. The foregoing provisions of this subsection (a) shall not apply until the Turnover Date. Until the Turnover Date, the Developer or its designees shall be the Architectural Committee.

(b) The Architectural Committee shall meet as necessary to consider applications with respect to any Exterior Structures that require the approval of the Architectural Committee as provided in Section 8 above and to consider any other matters within the authority of the Architectural Committee as provided in this Declaration. A majority of the members of the Architectural Committee shall constitute a quorum for the transaction of business at a meeting and every act or decision made by a majority of the members present at a meeting at which a quorum is present shall be regarded as the act or decision of the Architectural Committee.

(c) At each meeting, the Architectural Committee shall consider and act upon written and complete applications that have been submitted to it for approval in accordance with this Declaration. In making its decisions, the Architectural Committee may consider any and all aspects and factors that the individual members of the Architectural Committee, in their discretion, determine to be appropriate to establish and maintain the quality, character and aesthetics of the Subdivision, including, without limitation, the building plans, specifications, exterior color scheme, exterior materials, location, elevation, lot grading plans, landscaping plans and use of any proposed Exterior Structure. All decisions of the Architectural Committee shall be in writing and delivered to the applicant, who shall be responsible for keeping the same. The Architectural Committee may establish in advance and change from time to time certain procedural and substantive guidelines and conditions that it intends to follow in making its decisions. Any written application complete with all required drawings and other information that is not acted upon by the Architectural Committee within 25 days after the date on which it is filed shall be deemed to have been approved.

(d) After the Turnover Date, any applicant or other person who is dissatisfied with a decision of the Architectural Committee shall have the right to appeal such decision to the Board provided such appeal is filed in writing with a member of the Board within seven days after the date the Architectural Committee renders its written decision. In making its decisions, the Board may consider any and all aspects and factors that the individual members of the Board, in their discretion, determine to be appropriate to establish and maintain the quality, character and aesthetics of the Subdivision, including, without limitation, the building plans, specifications, exterior color scheme, exterior materials, location, elevation, lot grading plans, landscaping plans and use of any proposed Exterior Structure. Any decision rendered by the Board on appeal of a decision of the Architectural Committee shall be final and conclusively binding on all parties and shall be deemed to be the decision of the Architectural Committee for all purposes under this Declaration. The Board from time to time may adopt, amend and revoke rules and regulations respecting appeals of decisions of the Architectural Committee, including, without limitation, requiring payment of a reasonable fee by the appealing party.

15. No Liability for Approval or Disapproval; Indemnification.

(a) Neither the Developer, nor the Homes Association, nor any member of the Architectural Committee or the Board (or any committee thereof) shall be personally liable to any person for any approval, disapproval or failure to approve any matter submitted for approval, for the adoption, amendment or revocation of any rules, regulations, restrictions or guidelines or for the enforcement of or failure to enforce any of the restrictions contained in this Declaration or any other declaration or any such rules, regulations, restrictions or guidelines.

(b) If any Owner commences a lawsuit or files a counterclaim or crossclaim against the Homes Association, the Board, the Architectural Committee, or any individual member, director, officer or employee thereof, and such Owner fails to prevail in such lawsuit, counterclaim or crossclaim, the Homes Association, the Board, or individual sued by such Owner shall be entitled to recover from such Owner all litigation expenses incurred in defending such lawsuit, counterclaim or crossclaim, including reasonable attorneys' fees. Such recovery right shall constitute a lien against the Owner's Lot and shall be enforceable against such Lot.

(c) To the fullest extent permitted by law, the Homes Association shall indemnify each officer and director of the Homes Association, and Developer (to the extent a claim may be brought against Developer by reason of its appointment, removal of or control over, or failure to control, any such other persons) (each, an "Indemnified Party") against all expenses and liabilities, including, without limitation, attorneys' fees, reasonably incurred by or imposed upon the Indemnified Party in connection with any action or proceeding, or any settlement thereof, to which the Indemnified Party may be a party or in which the Indemnified Party may become involved by reason of serving or having served in such capacity (or, in the case of Developer, by reason of having appointed, removed or controlled or failed to control any officer or director of the Association), provided the Indemnified Party did not act, fail to act or refuse to act with fraudulent or criminal intent in the performance of the Indemnified Party's duties. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which any Indemnified Party may be entitled at law or otherwise.

16. No Liability for Gas Lines. By acceptance of a deed to a Lot, all Owners acknowledge that there are underground natural gas lines and related improvements located in or near the Subdivision. Each Owner, for himself, the members of his family, his guests, tenants and invitees, acknowledges and accepts all health, safety and other risks and hazards associated therewith. The Developer and the Homes Association shall have no liability or responsibility to any Owner or other party with respect to such gas lines and related improvements.

17. Covenants Running with Land; Enforcement. The agreements, restrictions, reservations and other provisions herein set forth are, and shall be, covenants running with the land and shall be binding upon all subsequent grantees of all parts of the Subdivision. The Developer, and its successors, assigns and grantees, and all parties claiming by, through or under them, shall conform to and observe such agreements, restrictions, reservations and other

provisions; provided, however, that neither the Developer, the Homes Association nor any other person or entity shall be obligated to enforce any such agreements, restrictions, reservations or other provisions. By accepting a deed to any of the Lots, each future grantee of any of the Lots shall be deemed to have personally consented and agreed to the agreements, restrictions and reservations set forth herein as applied to the Lot owned by such Owner. No agreement, restriction, reservation or other provision herein set forth shall be personally binding upon any Owner except with respect to breaches thereof committed during his ownership; provided, however, that (i) the immediate grantee from the builder of the residence on a Lot shall be personally responsible for breaches committed during such builder's ownership of such Lot and (ii) an Owner shall be personally responsible for any breach committed by any prior Owner of the Lot to the extent notice of such breach was filed of record, as provided in the third paragraph of this Section, prior to the transfer of ownership.

The Developer, the Homes Association and each Owner shall have the right (but not the obligation) to sue for and obtain an injunction, prohibitive or mandatory, to prevent the breach of or to enforce the observance of the agreements, restrictions, reservations and other provisions herein set forth, in addition to any action at law for damages. To the extent permitted by law, if the Developer or the Homes Association shall be successful in obtaining a judgment or consent decree in any such court action, the Developer and/or Homes Association shall be entitled to receive from the breaching party as part of the judgment or decree the legal fees and expenses incurred by the Developer and/or Homes Association with respect to such action.

Whenever the Developer or the Board determines that a violation of this Declaration has occurred and is continuing with respect to a Lot, the Developer or the Homes Association may file with the Recording Office a certificate setting forth public notice of the nature of the breach and the Lot involved.

No delay or failure by any person or entity to exercise any of its rights or remedies with respect to a violation of this Declaration shall impair any of such rights or remedies; nor shall any such delay or failure be construed as a waiver of that or any other violation.

In addition to the specific provisions of this Declaration that allow the Developer to make specific decisions, the Developer may, under special circumstances as determined by it, allow variances or waivers of the requirements or terms set forth in this Declaration. Any such variation or waiver so granted by the Developer shall not constitute a waiver of such requirement or term in any other situation or under any other circumstances.

No waiver of any violation shall be effective unless in writing and signed and delivered by the person or entity entitled to give such waiver, and no such waiver shall extend to or affect any other violation or situation, whether or not similar to the waived violation. No waiver by one person or entity shall affect any rights or remedies that any other person or entity may have; provided, however, that a duly authorized, executed and delivered waiver by the Homes Association, acting upon a decision of the Board, respecting a specific violation shall constitute and be deemed as a waiver of such violation by all other persons and entities (other than the Developer).

18. Assignment of Developer's Rights. The Developer shall have the right and authority, by written agreement made expressly for that purpose, to assign, convey and transfer to any person(s) or entity, all or any part of the rights, benefits, powers, reservations, privileges, duties and responsibilities herein reserved by or granted to the Developer, and upon such assignment the assignee shall then for all purposes be the Developer hereunder with respect to the assigned rights, benefits, powers, reservations, privileges, duties and responsibilities. Such assignee and its successors and assigns shall have the right and authority to further assign, convey, transfer and set over the rights, benefits, powers, reservations, privileges, duties, and responsibilities of the Developer hereunder.

19. Release or Modification of Restrictions.

(a) The provisions of this Declaration shall remain in full force and effect until December 31, 2032, and shall automatically be continued thereafter for successive periods of five years each; provided, however, that the Owners of at least a majority of the Lots within the Subdivision as then constituted may release the Subdivision, from all or part of such provisions as of December 31, 2032, or at the expiration of any extension period, by executing (in one or more counterparts), acknowledging and recording in the Recording Office an appropriate agreement in writing for such purpose, at least one year prior to December 31, 2032, or to a subsequent expiration date, whichever is applicable. The provisions of this Declaration may be amended, modified or terminated, in whole or in part, at any time by a duly acknowledged and recorded written agreement (in one or more counterparts) signed by (i) the Owners of at least two thirds (2/3) of the Lots within the Subdivision as then constituted and (ii) if prior to the recording of the Certificate of Substantial Completion, the Developer, or if after the recording of the Certificate of Substantial Completion, the Homes Association under express authority and action of the Board. After the recording of the Certificate of Substantial Completion or with the Developer's written consent, this Declaration also may be amended, modified or terminated in whole or in part, at any time by a duly acknowledged and recorded written instrument signed by the Homes Association after the proposed amendment, modification or termination has been first approved by the affirmative vote of 75% or more of the full number of directors of the Homes Association and then approved at a duly held meeting of the members of the Homes Association (called in whole or in part for that purpose) by the affirmative vote of Owners owning at least two-thirds (2/3) of the Lots.

(b) Anything set forth in this Section to the contrary notwithstanding, the Developer shall have the absolute, unilateral right, power and authority to modify, revise, amend, change or add to any of the terms and provisions of this Declaration, as from time to time amended or supplemented, by executing, acknowledging and recording in the Recording Office a written instrument for such purpose, if (i) either the Veteran's Administration or the Federal Housing Administration or any successor or similar agencies thereto shall require such action as a condition precedent to the approval by such agency of the Subdivision or any part of the Subdivision or any Lot in the Subdivision, for federally-approved mortgage financing purposes under applicable Veteran's Administration or Federal Housing Administration or similar programs, laws and regulations, (ii) the City requires such action as a condition to approval by the City of

any part of the Subdivision. No such amendment by the Developer shall require the consent of any Owner.

(c) If the rule against perpetuities or any rule against restraints on alienation or similar restriction is applicable to any right, restriction or other provision of this Declaration, such right, restriction or other provision shall terminate (if not earlier terminated) upon lapse of 20 years after the death of the last survivor of the now-living children and grandchildren of the individuals signing this Declaration on behalf of the Developer as of the date of such execution.

20. Extension of Subdivision. The Developer shall have, and expressly reserves, the right, from time to time, to add to the existing Subdivision and to the operation of the provisions of this Declaration other adjacent or nearby lands (without reference to any street, park or right-of-way) by executing, acknowledging and recording in the Recording Office a written instrument subjecting such land to all of the provisions hereof as though such land had been originally described herein and subjected to the provisions hereof; provided, however, that such declaration or agreement may contain such deletions, additions and modifications of the provisions of this Declaration applicable solely to such additional property as may be necessary or desirable as solely determined by the Developer in its discretion.

21. Severability. Invalidation of any of the provisions set forth herein, or any part thereof, by an order, judgment or decree of any court, or otherwise, shall not invalidate or affect any of the other provisions or parts.

22. Governing Law. This Declaration shall be governed by and construed in accordance with the laws of Kansas.

IN WITNESS WHEREOF, the Developer has caused this Declaration to be duly executed the day and year first written above.
